

Transport Action News - May 2022

VIA business class car 4004, recently overhauled and refitted with 2+1 seating, was originally built for the Western Railway of Alabama in 1949 and is not the oldest of the "heritage fleet"

New leadership at VIA Rail Canada

Hello,

Following the early departure of Cynthia Garneau last month, we welcome Martin R. Landry, previously Chief Commercial Officer, who has stepped up to serve as President and CEO of VIA Rail Canada. Mr. Landry has been with VIA Rail for eight years, and will be immediately taking on several challenges including overseeing the ongoing service recovery after the pandemic; the implementation of the new reservation system, expected this fall; together with the entry into service of the new corridor fleet.

With the High Frequency Rail procurement now being led by Transport Canada, we hope the VIA Rail will be able to turn its attention to securing funding to replace of the long-distance "heritage fleet" of stainless steel equipment and revitalizing the national network beyond the corridor, with Transport Action's continued support.

AGM and Guest Speaker - Claire Trevena Saturday June 11th

Don't miss Transport Action Canada's online Annual General Meeting this Saturday, with guest speaker **Claire Trevena**,

former BC Minister of Transportation, addressing the subject of transport integration - ensuring easy connections from one mode of public transport to another.

When: Saturday June 11, 2022, 1pm Eastern - 10am Pacific **Where:** Zoom Online Video and Telephone Conference

Register Now - AGM 2022

As our AGM approaches, thank you again for your support for Transport Action, for our volunteers, board members, and myself over the past year.

We Are Hiring - Summer Job

We are offering a paid student job this summer, to support our efforts to research the motorcoach industry and advocate for integrated public transport services across Canada. Applicants must be aged between 15 and 30 and eligible to participate in the Canada Summer Jobs program. The position can be remote or working at our Ottawa office.

For details see: https://www.jobbank.gc.ca/jobsearch/jobposting/36136653

Sincerely,

Terry Johnson, President Transport Action Canada

One tunnel or two? The Third Link is a superhighway...

The recently proposed changes to the Québec Third Link project do not make it any more acceptable, and Transport Action continues to share the concerns of Équiterre, Accès Transports Viables, Trajectoire Québec, the David Suzuki Foundation, Vivre ...
